BBECET Trivia/Quiz afternoon May 2026 Report

Our Quiz afternoon was held at the Salvation Army Church on May 2 at 2 pm. Fifty people came to enjoy some competition, fun and a lovely afternoon Tea. All nine churches in the Bay were represented as well as other community members.

Funds were raised for the work of Scripture teaching in our 3 local Primary Schools and one High School. $1320 was given in ticket sales and donations, a fantastic effort.

All questions were multiple choice or True/False which was enjoyed by the supporters attending. A fun puzzle sheet was also worked on through the afternoon. Each table had a group of up to 8 people to discuss answers. The competition was very close, with second place determined by a playoff between two teams. The winning table was only 2 points in front of every other table.

BBECET is joining with Operation Christmas Child (OCC) later in the year for a musical afternoon with a variety of singing and musical groups. This will be held in late September or early October. More information to follow.
